

Skillsoft® Leadership Channel®

A video solution for all leadership levels

Skillsoft Leadership Channel provides an integrated solution featuring thousands of videos offering credible, immediate and actionable learning from best-selling business authors, world-class business scholars and top executives.

CUTTING-EDGE THINKING IN BUSINESS AND LEADERSHIP

Skillsoft Leadership Channel offers memorable and highly actionable video learning content designed to drive leadership, innovation and excellence at all levels of your organization. Flexible and portable enough to integrate into your existing training and leadership programs, this collection includes downloadable video formats suitable for mobile devices, meeting starters and classroom integration.

LIVE, INTERACTIVE EVENTS

Our curated collection also offers Live Events. Featuring cutting-edge thought-leaders, this annual series of live, interactive webcast events provide executives with the best thinking in business and leadership to drive performance. Live Events are used as internal leadership conferences at a fraction of the cost of hiring professional speakers.

“The Leadership Channel helps us to get clear leadership messages from industry recognized experts to our time-strapped managers. The short videos, along with questions for reflection and action planning, have proven to be an extremely valuable resource.”

DIVERSE FORMATS FOR DIVERSE LEARNERS

The diverse styles, content and formats will meet all your learners' needs. The collection is primarily comprised of micro-sized videos which provide learners with immediate answers to pressing business needs, and average 2-5 minutes in length. Longer videos in the collection provide more in-depth training on business topics.

Our collection includes both action-based and story-based video formats that appeal to different types of learners and situations.

- The action-based video collection offers advice from best-selling business authors and executives including Stephen Covey, Amy Cuddy, Lynda Gratton and Patrick Lencioni. The instructional design formats of these videos are application-based to drive immediate results.
- Our interview-style videos feature presentations from some of the world's most recognized global business leaders, including Herminia Ibarra, Travis Bradberry, Kip Tindell and Huggy Rao. The interview format captures leadership and business lessons in short, compelling video stories which engage business audiences. Lessons are memorable, immersive and inspire action.
